

Proposed Food Permit for Mobile Shopkeeper, Hawker, Itinerant Trader and Food Stall

Food Hygiene Regulations 1974

Written Proposal Form

Please provide the following information, in writing, for assessment by the Environmental Health Officer. Please bear in mind that what we are trying to define is the scale and scope of your operation. A Food Operator's proposal is to cover (but not be limited to) the following points:

1. Describe the types and style of food to be supplied. Please note that your permit will be for only those foods you have outlined:

2. Describe the level of preparation, if any, of the food items that will take place at the site (e.g. preparation from raw ingredients, types of cooking, heating, holding):

3. In the case of a mobile shopkeeper, your vehicle must be currently registered as a food premise please supply a copy of the current registration (if registered outside the district) and the following information:

Food Premise Name and registration number _____

Local Authority where registered _____

Vehicle Make, year, type and colour _____

Vehicle Registration Number _____

Name and Address of Registered Owner of Vehicle _____

4. In the case of a food stall, hawker or itinerant trader please complete the following details, as the food must come from a registered food premise.

Food Premise Name and registration number: _____

Local Authority where registered: _____

5. Are you buying food in from another registered food premise? If so please name the premise:

6. Describe the arrangements for hand washing facilities:

Phone: 03-450 0300
Fax: 03-442 4778
E-mail: enquiries@lakesenv.co.nz

7. Describe the arrangements for cleaning of utensils, equipment and surfaces:

8. Describe the means of temperature control that will take place at the stall and in transit to the stall site: _____

9. Describe how the food will be stored and displayed so as to protect it from contamination:

10. Outline the food handling provisions that will be put in place: (e.g. staff training, policies, gloves):

11. Outline the Water Supply details. Where is the water from and is it a council reticulated or private supply. If you are storing water how is it stored: _____

12. Outline the provisions that have been made for the disposal of wastes, including waste water, refuse and food waste: _____

LAYOUT PLAN

The applicant is to provide a layout plan of the food stall, mobile vehicle, or trading vehicle. Please see the next page. If your food vehicle or caravan is currently registered within the QLDC area then this is not required.
